JEE- ADVANCED | JEE -MAIN | NEET | XI-XII CBSE / STATE BOARD | FOUNDATION | BITSAT | OLYMPIAD

LEAP has been developed by a distinguished group of highly regarded educators and teachers with national recognition, aiming to ensure that the selection exam is genuine and highly competitive. Its purpose is to determine the rankings among a vast pool of over 40,000 students from all participating regions. Additionally, it seeks to enhance students' awareness and engage them in the mainstream of competitive academic endeavors. The program also aims to prepare students for various prestigious examinations, such as the Maharashtra Talent Search Exam, National Talent Search Exam, Science & Maths Olympiads, JEE, NEET, and other competitive tests required for admission to professional courses. Ultimately, it strives to instill confidence in students at the high school level, enabling them to confront competitive exams with assurance.

## OBJECTIVES OF LEAP

LEAP is designed by a panel of renowned Educationists and Teachers of National repute to make the selection exam authentic and truly competitive.

- To know the ranking among 40000+ students across all participants.
- To increase students' awareness to bring them into the mainstream of competition.
- To orient students for Maharashtra Talent Search Exam, Science & Maths Olympiads, JEE, NEET & other competitive examinations in which the students have to appear to get admission in any professional course.
- To boost the confidence level among the students to face the competitive exams from high school itself.

## LEAP ELIGIBILITY, SYLLABUS, STUDY MATERIAL & EXAM PATTERN

### Eligibility

- LEAP is meant for VII, VIII, IX & X standard students of English medium schools.

### Syllabus of LEAP

- LEAP is based on the syllabus studied up to the previous standard & half of the current year. For more details visit @ [www.icadiit.com](http://www.icadiit.com)

### Study Material

- LEAP exam paper will be based on NCERT & State Board text books of the respective standards along with any other book related to competitive exams.

### LEAP Exam Pattern & Marking scheme

- Subject - Mathematics | Physics | Chemistry | Biology
- Test Duration - 60 Minutes.
- The question paper will consist of objective type questions i.e. MCQ (Multiple Choice Questions)
- Each question will have four choices as possible answers, namely (a), (b), (c), and (d). Students need to select one option among all four options as a final one.
- There will be negative marking, which means, that for each correct answer 4 marks will be awarded & for each wrong answer, 1 mark will be deducted.

## ONLINE REGISTRATION PROCESS

- Visit : [www.icadiit.com](http://www.icadiit.com)
- Click on 'Register for LEAP' & fill online registration form.
- Once registration is complete, download LEAP sample question paper with solution.
